CUB SCOUT LEADERS GUIDE

What Is Apple Harvest?

Well, it does not involve harvesting fruit! It's an outdoor fun afternoon for Cubs. Each Pack brings an activity station to share – a game or skill. (tug of war, balance beam, knot tying, parachute, etc.). Boy Scout troops have a weekend long camporee. They will have their own activity stations, which Cubs may observe- something to look forward to!

What is “NEW” this year?

- Scouts will assist in making their Leather Camporee Patch- on-site
- The Charlottesville “Lewis and Clark Center” will be attending
- Authentic Shoshone Indian Village- complete with 2 Tee Pees
- EXPANDED Cub Scout Shooting Zone- We will have 2 Shooting Area for both BB's and Bow and Arrow.
- We will be pressing Apples again this year!
- Webelos will be able to camp with a troop Saturday Night
- Apple Harvest 5K Trail Run – Our Boy Scouts have been participating in a 5K run for the past few years- and we are inviting the rest of the District- as well the Community to come and participate! We are using this event to raise money for our Scouting Program- and **We Need Your Help!!** Invite your family, friends, neighbors, and colleagues. Registration is on-line only- and the cost is \$20/runner. The race starts at 8am (check-in is at 7am)

To Register- or for additional information go to the Apple Harvest Trail Run site at:

Appleharvesttrailrun.com

The Field Day will start with a flag ceremony at 1:00pm- and then the stations are open. Boys will move from station to station together with the rest of their pack or den, supervised by their leaders and parents. They move at their own pace. Some stations may have a wait – decide how you want to spend your time, but try to get around to all the stations. The Closing ceremony will be at 4:00pm.

PACK ACTIVITY STATIONS

Each Pack should bring an activity to set-up and run for the event. Simple, Fun, Safe. Please contact Diane Benham, fordiane@yahoo.com, if you need any help with this! The station should be run by at least 2 adults from your pack. Often older Webelos enjoy helping to run the stations too! If you are a very small pack and would like to help in another way, we can put you with others to make this event GO!

Email Diane with a description of your Pack's activity station to make sure we do not duplicate activities.
